This looks fine to me, but will wait until I hear from you that it's ok before moving forward to Lisa. I noticed one small typo in Walter's version "FWS is also are a PRP." I can change that to FWS is also a PRP.

Thanks,

I made a few very minor edits – see attached version. (Sorry – I didn't do a redline/strikeout.)

Hi Lisa and Walter,

Thanks for your patience while we finalized the attached response letter for your review. As I mentioned this morning, we worked with SEMD and ORC to draft a letter and a supplementary document to respond to the questions posed in Rep. Sherill's letter to you/FWS regarding Rolling Knolls. Please let us know if you have any comments or edits. I have dated it for tomorrow (don't worry it says June, NOT July 😊), so we can print, sign and send tomorrow if you both approve of the language.

Thanks again,
Sabina
